Building Safer Workplaces Through Excellence

Gauri Vinayak Enterprise

Introduction

We are a leading organization supported by qualified and subject matter experts, dedicated to providing and helping business to prioritize the environment, health, safety, & expert consultancy services, promote regulatory compliance, and mitigate risks with strong focus on compliance and continuous improvement to help sustainable business.

With decats of collective experience in the construction and manufacturing industry, we partner with organizations on a wide range of construction projects, including commercial buildings, infrastructure development, and residential complexes to achieve operational excellence, meet global standards, and foster a culture of health, safety, and environmental stewardship.

SAFETY

Prioritizing people
at every step

HEALTH

Promoting well-being
and healthy workplaces

COMPLIANCE

Meeting standards,
managing risks

SUSTAINABILITY

Building responsibly
for a better future

VISION & MISSION

OUR MISSION

Our mission is to enable organizations to operate safely, sustainably, and responsibly by protecting lives, preserving the environment, and strengthening communities. Through expert audits, risk assessments, and tailored safety solutions, we drive compliance, reduce risks, and enhance productivity. We are committed to fostering a culture where safety is a core value, supported by innovation, continuous improvement, and a dedicated team guiding businesses toward long-term safety excellence.

VISION

To create workplaces where every employee returns home safely every day.

OUR VISION

Our vision is to set the benchmark in occupational safety, industrial hygiene, and risk management by creating a culture where safety is a core value. We are committed to protecting lives through leadership, innovation, and continuous improvement, enabling safer workplaces and a healthier, more sustainable future where people and businesses thrive together.

MISSION

To deliver innovative, practical, and sustainable EHS solutions that enhance safety performance, ensure compliance, and drive business success.

Gauri Vinayak Enterprise

Environment | Health | Safety | Sustainability.

Why EHS Consultancy is Required

EHS consultancy provides specialized expertise to ensure organizations effectively manage environmental, health, and safety risks, comply with regulations, and foster a culture of safety, reducing liabilities and enhancing sustainability.

Why G V ENTERPRISES required as a consultant?

We have best team of competent EHS professional in Mumbai, Nagpur & Delhi from where we are covering the pan-India.

Precise EHS Management System

We will prepare the precise EHS management system based on ISO 45001 and ensure the same to be maintained at site.

Dedicated Focus & Coordination

Our expert team will give full focus on the EHS management system by coordinating the site EHS team on daily basis.

ISO 45001 Certification Support

We help to prepare the organization for ISO 45001 certification.

— Let's —
GROW
together

WHY CHOOSE US

We are committed to delivering reliable, innovative, and result-driven EHS solutions that help organizations create safer workplaces, ensure compliance, and achieve operational excellence.

> Qualified, Experienced & Accredited Experts.

> Comprehensive EHS safety strategies based solution.

> Alignment with national and international standards.

> Measurable improvements in safety performance.

Customized Solutions

Compliance Assurance

Skilled Team

Result-Oriented Approach

OUR SERVICES

Comprehensive Safety Solutions to Protect People, Processes & Performance

COMPLIANCE AUDITS

Ensure adherence to local, national, and international safety regulations and standards, mitigating legal and financial risks for clients.

RISK ASSESSMENTS

Conduct thorough evaluations of workplace hazards, identifying potential risks to personnel, property, and the environment.

SAFETY TRAININGS

Develop and deliver tailored training programs to educate employees on safety protocols, emergency procedures, and best practices.

EMERGENCY PREPAREDNESS

Assist organizations in creating comprehensive plans for responding to accidents, natural disasters, and other emergencies.

FULL TIME CONSULTANCY

Preparation of EHS Management system, Implementation of the EHSMS on every site, follow up for monthly EHS reports.

OUTSOURCING SAFETY STAFF

Outsourcing safety staff ensures specialized expertise, compliance with regulations, costeffectiveness, streamlined operations, and enhanced risk management. It allows businesses to focus on core activities while benefiting from external safety support and resources.

PROJECT PRE ASSESSMENT

Project safety pre-assessment evaluates potential hazards, compliance with regulations, and readiness for safe execution. It identifies risks, establishes safety protocols, and ensures proactive measures are in place before project commencement.

EHS CONSULTANCY PER VISIT BASIS

Weekly project safety visits entail on-site inspections to assess safety compliance, identify hazards, reinforce protocols, provide guidance, and promote a culture of safety among project personnel.

Gauri Vinayak Enterprise

Competitive Advantage

GV Enterprises delivers measurable, on-ground EHS excellence — where traditional consultants fall short, we step in with dedicated expertise, site presence, and infrastructure-specific solutions.

GV Enterprises

Practical Solutions • Dedicated On-Site Support • Infrastructure & Metro Rail Expertise • Fast, Responsive Deployment

Traditional Consultants

Generic Advice • Limited Involvement • General Experience Only • Delayed or Periodic Support

Site Presence & Compliance

Our teams are physically present on-site ensuring real-time compliance, contractor oversight, and immediate hazard response — not just periodic visits or remote guidance.

Result-Oriented Approach

We deliver measurable outcomes: reduction in safety incidents, improved regulatory adherence, and enhanced workforce productivity through targeted EHS interventions.

**GENERAL CONSULTANTS
MAHARASHTRA METRO RAIL CORPORATION LTD
(NAGPUR METRO RAIL PROJECT)**

Ref. GC/NMRP/CTE/TRK/RIL/2026/0098

Date: 25.06.2026

To,
M/S Rahee Infratech Ltd,
107, Lakhinrayan Talia Road,
Shalimar, Howrah-711103.

Kind Attn: Mr. Pawan Khaitan, Whole Time Director.

Name of work: Design, Supply, Installation, Testing and Commissioning of Ballasted/ Ballast-less track in At Grade section of Reach 1A, and elevated viaduct of Reach 2A & Reach 4A of NMRP Phase-2 including supply of 1080 Grade HH Rails, Track fastenings, 1 in 9 R300 Ballasted/Ballastless turnouts & Derailing switches and other miscellaneous works. Tender No: N2-050/T-02/2024.

Sub: Nomination of Third-Party agency for External SHE audits and SHE Technical Training requirements.

Ref: 1. LOA no. Maha-Metro/NMRP-2/Proc/N2-050/T-02/2024/194 Dated: 27.03.2025.

2. RIL Letter No: LXXVIII/N2/Maha_Metro/26-27/1166 Dated: 23.06.2025 (Received on 25.06.2026).

Dear Sir,

GC has examined your proposal regarding the nomination of M/s GV Enterprises as the third-party agency for conducting External Safety, Health & Environment (SHE) audits and providing SHE technical training, in accordance with Clause No. 11.4 under Part-3: Conditions of Contract, Section-XI (SHE Manual). It has been observed that the proposed agency, along with Mr. Avinash Singh as the Lead Auditor, possesses a proven track record in carrying out external SHE audits, and both the agency and the Lead Auditor are duly ISO-certified for the said scope of work.

In view of the above, GC hereby accords provisional approval for a period of six months, valid up to 31.12.2026. Any further extension or termination of this approval shall be subject to the review of the next two quarterly audit reports. You are accordingly advised to schedule the quarterly SHE audits with immediate effect, ensuring prior intimation is provided to GC and Maha Metro for necessary coordination.

Yours faithfully,

(Signature)
